<input type="checkbox"/>	<b>Completed application</b> for boat registration transfer & replacement.
<input type="checkbox"/>	<b>Supporting documents</b> such as a registration in the previous owner's name, a previously issued proof of insurance for the vessel in the previous owner's name or other supporting documents of ownership by the previous owner.
<b>What do I need to bring to register a HOMEMADE vessel?</b>	
<input type="checkbox"/>	Homemade boats are required to have a <b>hull serial number</b> . Boat owners registering a homemade vessel shall apply with the Marine Police Division for a hull serial number to the transom of their boat. It is necessary to give the date construction was completed. There will be a \$25.00 inspection fee for any homemade vessel requiring a hull identification number.
<input type="checkbox"/>	<b>Document</b> showing that your vessel has been inspected by the Marine Police, including the state-assigned hull identification number that was assigned to your vessel.
<input type="checkbox"/>	<b>Statement prepared by owner</b> stating that the vessel is homemade, the amount that was spent to build the vessel, the approximate date of completion and the owner's signature and current address.
<input type="checkbox"/>	<b>Completed application</b> for boat registration transfer & replacement.

**Note:** An alteration of any kind on a title voids the assignment. Liquid paper voids the entire title and a replacement title must be issued. Any alteration on a notarized document voids that document.
